re: Smurfit Stone Mill Site Missoula, Montana

Dear Amelia,

I am writing on behalf of International Paper Company in response to your letter dated September 2, 2014, re: "Special Notice Letter for the Smurfit Stone Mill Site Missoula, Missoula County, Montana." International Paper received the letter on September 8. As we continue to assess responsibility for environmental issues at the site, if any, International Paper is willing to participate in discussions regarding the site. I understand that representatives for M2Green have contacted you regarding potential meeting dates. We are interested in participating in those meetings once scheduled.

In the interim, please feel free to contact me with any questions.

Best regards.

Ryan Dahl
